**BEAUMANOR**

**LEICESTERSHIRE'S OUTDOOR & RESIDENTIAL**

**LEARNING CENTRE**

**POST 16 PROVISION**

We provide structured and challenging programmes specifically designed for post 16 students.

All programmes will ensure teamwork, co-operation and the exploration of individual potential.

We can design a bespoke programme for your students ensuring your requirements are met.

We offer both day and residential visits.  
We can also bring our activities to you.

# PROGRAMMES INCLUDE:

## Team Development day:

This can include the use of one or more of: High Ropes Course, raft building, mountain biking, climbing, abseiling and team building activities. The focus can be on communication, learning styles, decision making and leadership.

## Revision Breaks:

Combine our wide range of activities with a revision session in a fresh environment. Practical ecology fieldwork can be included.

## Expedition Training:

We provide practical and theoretical expedition training courses. This is applicable to D of E groups and some BTEC courses. Areas covered include first aid, navigation, equipment and camping. Our staff can also be hired to provide remote supervision cover for expeditions.

## National Qualifications:

We offer courses over a period of time which can be either a series of days or residential. Qualifications can be gained in climbing (NICAS), navigation (NNAS) and canoeing (Star Awards).

## Practical Outdoor Skills:

We also provide a package involving a variety of outdoor activities which contribute to many post 16 courses.
