High Ropes

A superb way for children to work together and challenge themselves in a safe and fun environment.

For this day children need to be at least 1.15m tall.

Our High Ropes Course comprises a number of different elements. It is unlikely all elements will be covered in one day – a selection of the most appropriate for the group will be offered:

Aerial Trek: A ropes and poles course, 9 metres above the ground

Leap of Faith: Climb a 9.5m pole and leap to catch the trapeze bar

Zip Wire: Journey 150m from the top of our 11.5m tower

Vertical Challenge: An 8 metre climb over ladders, tyres, nets and other obstacles to reach the top – if you make it!

Free Fall: Take the 11.5 metre leap into space using our quick-jump, free fall device

Crate Stack: In small teams construct your own tower using a series of crates

Survival & Archery

Using the superb woodland in Beaumanor Park, you will learn basic survival skills, build your own woodland shelter and enjoy the warmth of campfire. This is experienced in combination with the thrill of archery, where you can test your own 'eye for a target'. We have both indoor and outdoor ranges.

Woodland Adventure

Explore the locality around Beaumanor. Activities will revolve around a local walk. These may include some rock scrambling, survival, ecology, navigation skills and others. The session will be away from the base at Beaumanor, so please ensure you wear suitable outdoor clothing and footwear.
