Activities in Detail:

All activities are run by experienced and highly qualified staff. All days are designed to promote team working and to build confidence whilst encouraging children to try new activities. All this with the company and support of new friends.

1940s Spy Mission

Revisit the days of World War II. The day will be themed around that of an undercover agent during the 1940s, all based in the authentic setting of Beaumanor. Why not come dressed as a spy?

Archery & Bushcraft

Using the superb woodland in Beaumanor Park, you will learn basic survival skills, build your own woodland shelter and enjoy the warmth of campfire. This is experienced in combination with the thrill of archery, where you can test your own 'eye for a target'. We have both indoor and outdoor ranges.

Canoe Journey

Take part in a full day of canoeing activities. The day will involve the acquisition of new skills which will be employed in a journey along a local waterway. Canoeing is weather dependant, thus an exact itinerary is not possible until the day.

Canoeing & Raft Building

Based on a local stretch of water, there will be two halves to the day. You will experience canoeing, involving a journey and the challenge of constructing your own raft, which will be tested out on the river! Please bring spare clothing. Canoeing is weather dependant, thus an exact itinerary is not possible until the day.

Climbing & Abseiling

Experience the challenge of climbing and the thrill of abseiling. Participants will have the opportunity to learn new skills and be introduced to some of the technical elements of the sport of rock climbing. All technical equipment is provided.

High Ropes

A superb way for children to work together and challenge themselves in a safe and fun environment.

For this day children need to be at least 1.15m tall.

Our High Ropes Course comprises a number of different elements. It is unlikely all elements will be covered in one day – a selection of the most appropriate for the group will be offered:

Aerial Trek: A ropes and poles course, 9 metres above the ground

Leap of Faith: Climb a 9.5m pole and leap to catch the trapeze bar

Zip Wire: Journey 150m from the top of our 11.5m tower

Vertical Challenge: An 8 metre climb over ladders, tyres, nets and other obstacles to reach the top – if you make it!

Free Fall: Take the 11.5 metre leap into space using our quick-jump, free fall device

Crate Stack: In small teams construct your own tower using a series of crates

Operation Rescue

In the exciting surroundings of Beaumanor, your mission will involve rescuing a stranded casualty using our climbing, abseiling and orienteering facilities.

Pirate Capers

A day of adventures, puzzles and outdoor activities, all themed from the high seas. Why not come dressed as a Pirate?

Ultimate Challenges

Test your problem solving skills and become part of a successful team. The day will include a variety of mentally and physically challenging activities designed to push you to your limit. These may include elements of the High Ropes Course, Climbing & Abseiling, Archery and much more – finishing with a grand finale activity in the afternoon.
