### **Activities in Detail:**

**All activities are run by experienced and highly qualified staff. All days are designed to promote team working and to build confidence whilst encouraging children to try new activities. All this with the company and support of new friends.**

### **1940s Spy Mission**

Revisit the days of World War II. The day will be themed around that of an undercover agent during the 1940s, all based in the authentic setting of Beaumanor. Why not come dressed as a spy? Or even camouflage?

### **Canoe Journey**

Take part in a full day of canoeing activities. The day will involve the acquisition of new skills which will be employed in a journey along a local waterway. Canoeing is weather dependant, thus an exact itinerary is not possible until the day.

### **Canoeing & Raft Building**

Based on a local stretch of water, there will be two halves to the day. You will experience canoeing, involving a journey and the challenge of constructing your own raft, which will be tested out on the river! Please bring spare clothing. Canoeing is weather dependant, thus an exact itinerary is not possible until the day.

### **Climbing & Abseiling**

Experience the challenge of climbing and the thrill of abseiling. Participants will have the opportunity to learn new skills and be introduced to some of the technical elements of the sport of rock climbing. All technical equipment is provided. Depending on the weather and the group's ability, this activity may be on real rock at a nearby venue.

### **High Ropes**

A superb way for children to work together and challenge themselves in a safe and fun environment.

**For this day children need to be at least 1.15m tall.**

Our High Ropes Course comprises a number of different elements. It is unlikely all elements will be covered in one day – a selection of the most appropriate for the group will be offered:

**Aerial Trek:** A ropes and poles course, 9 metres above the ground

**Leap of Faith:** Climb a 9.5m pole and leap to catch the trapeze bar

**Zip Wire:** Journey 150m from the top of our 11.5m tower

**Vertical Challenge:** An 8 metre climb over ladders, tyres, nets and other obstacles to reach the top – if you make it!

**Free Fall:** Take the 11.5 metre leap into space using our quick-jump, free fall device

**Crate Stack:** In small teams construct your own tower using milk bottle crates. Build the highest tower in the time given to be crowned the champions.

### **Orienteering**

Gain the basic skills to read a map, orientate yourself with your surroundings and the map and then race against the clock to complete the course in the shortest time. We have our own score course on site and we also have access to some amazing national courses in the local area.

### **Pirate Capers**

A day of adventures, puzzles and outdoor activities, all themed from the high seas. Why not come dressed as a Pirate?

## Survival & Bushcraft

Using the superb woodland in Beaumanor Park and the local area, you will learn basic survival and bushcraft skills, build your own woodland shelter and enjoy the creativity of cooking on an open fire.

## Ultimate Challenges

Test your problem solving skills and become part of a successful team. The day will include a variety of mentally and physically challenging activities designed to push you to your limit. These may include elements of the High Ropes Course, Climbing & Abseiling, Archery and much more – finishing with a grand finale activity in the afternoon.
