**Climbing and Abseiling**

Experience the challenge of climbing and the thrill of abseiling. Participants will have the opportunity to learn new skills and be introduced to some of the technical elements of the sport of rock climbing. All technical equipment is provided. Depending on the

### **High Ropes**

A superb way for children to work together and challenge themselves in a safe and fun environment.

**For this day children need to be at least 1.15m tall.**

Our High Ropes Course comprises a number of different elements. It is unlikely all elements will be covered in one day – a selection of the most appropriate for the group will be offered:

**Aerial Trek:** A ropes and poles course, 9 metres above the ground

**Leap of Faith:** Climb a 9.5m pole and leap to catch the trapeze bar

**Zip Wire:** Journey 150m from the top of our 11.5m tower

**Vertical Challenge:** An 8 metre climb over ladders, tyres, nets and other obstacles to reach the top – if you make it!

**Crate Stack:** In small teams construct your own tower using milk bottle crates. Build the highest tower in the time given to be crowned the champions

### **Crystal Maze**

Loosely based around the TV Show. The children will be competing throughout the day in different challenges and tasks in order to win Crystal. They will be working in constantly changing teams to complete the tasks. The tasks could be anything from communicating a set of instructions through a walkie-talkie radio to building a bridge across our stream to climbing our climbing wall or leaping around our high ropes course. The day will be very much guided by the children and working within the skill sets of the instructors leading the club on the day.

### **Desert Island Challenge**

At the beginning of the day the children will get split into different tribes who will be allocated an area of the grounds to set up their desert island. The teams will have to build their camps for the day, trade items with neighbouring island in order to complete some tasks. They will also have to design an island flag and create an island song/poem or national anthem, playing capture the flag type games, building fires and much much more

## Water Sports

This is a day with water as the main focus. We will use boats of different kinds on the water and children will have the opportunity to go canoeing and raft building
