Beaumanor Activities

WORLD WAR II CORPORATE DAY

The Beaumanor Brigade

Your Mission Begins...The year is 1941.

You have been recruited into the **Beaumanor Brigade**, part of the secret War Office **"Y" Group** operating from Beaumanor.

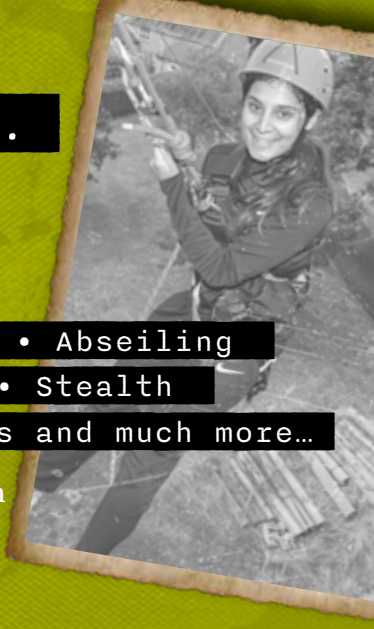

Your mission will test your **leadership, communication, teamwork, problem-solving, resilience and strategic thinking** through a series of immersive challenges inspired by Beaumanor's wartime history.

The work is secret.The challenges are real. Your team is counting on you...

SPECIALIST TRAINING...

Throughout the day, members of your Regiment will undertake a variety of training modules, including:

- High Ropes • Zip Wire • Climbing • Abseiling
- Archery • Survival • Morse Code • Stealth
- Problem-Solving • Team Challenges and much more...

Each training module will test a different combination of physical ability, mental agility, communication and teamwork. There is something for everyone.

YOUR ORDERS...

Communicate. Think. Lead. Adapt.

Bring the knowledge gained during specialist training back to your Regiment and use it to complete your final deployment.

There will be **competition between Regiments**, so every decision, every challenge and every recruit could make the difference.

Are you ready to join the Beaumanor Brigade?

YOUR TRAINING STARTS NOW...
